Our Green Codes and Rules

Belgrove Senior Boys School

Our Green Rules

We will use paper wisely.

We will try to cut down on rubbish and take our rubbish home.

We will recycle paper, cans, bottle tops, fruit, pencil parings and ink cartridges.

We will mind our school grounds and try to keep them litter free at all times.

We will remember to turn off lights and our computers when we leave the school building.

We will keep the school doors closed so as to keep the heat in.

Turn off the light if it's bright!

Turn off our computer before we leave.

Keep doors closed to maintain our heat.

Our Current Green Code 2008 – 2010

Energy is used to help us live our lives.

Nothing lasts forever, so lets all be wise.

Everyone should take the bus, walk or even cycle

Rise up to the challenge, Reduce, Reuse, Recycle!

Give yourself a moment, think what we all can do,

Yesterday is over, the future depends on you!
